CAMPUS HILL APARTMENTS

GIBBONS APARTMENTS

Congratulations to the students of NMIMT in the nearly 70th year of student life. I am confident that the importance of this institution, in the educational scheme of things, will continue to increase.

E. J. Workman

It is a pleasure to extend greetings to all the members of the student body and to offer hearty congratulations to those of you who are graduating this year. I hope that in years to come this edition of the Porphyry will remind you of a period in your lives which was stimulating as well as enjoyable; a period in which you formed enduring friendships; a period during which you learned, in and out of classes, things of lasting value. In short, I hope that your years at NMIMT were good ones.
