The New Mexico Tech Performing Arts Series presents a variety of affordable, quality, multicultural performances in music, theatre, dance, family entertainment, and arts outreach activities, that appeal to the diverse community of Socorro.

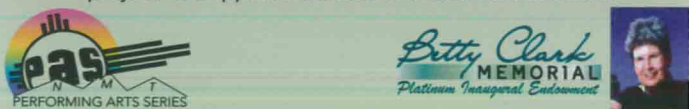

NMTPAS receives support from New Mexico Arts, a division of the Department of Cultural Affairs; WESTAF, Western States Arts Federation; National Endowment for the Arts; and City of Socorro. The presentation of Victor Quijada's new work, to be performed by BODYTRAFFIC, was made possible by the New England Foundation for the Arts' National Dance Project, with lead funding from the Doris Duke Charitable Foundation and The Andrew W. Mellon Foundation, with additional support from the National Endowment for the Arts. New Mexico Tech provides major underwriting.

Special Thanks to Cheryl & William Macey

The Performing Arts Series Memorial Endowment is a visionary project to support concerts & outreach activities.
